ABOUT HARRIS LAMB

Founded in May 1992, Harris Lamb has grown from a small, dedicated property consultancy to a successful, award-winning business employing more than 70 staff. While our operation may have grown, we've never compromised on the high standards of service we deliver.

Our clients can expect insight, sector-specific knowledge and expertise, and an honest, transparent approach to business, whatever services they are accessing.

Harris Lamb's operation has expanded significantly since 2016, when it acquired two new businesses; a respected garden centre planning specialist, Malcolm Scott Consultants, which has been established and operating internationally for more than 30 years; and a Rating business based in Nottingham. The business also achieved outstanding recognition from Investors In People, something that has enabled it to grow organically as new employees actively sought to become part of the business.

Constantly adding value, growing its service offering and developing its team to ensure the company continues to deliver exceptional service, Harris Lamb is committed to providing clients with advice and support that is second to none.
